CHANGE MANAGEMENT SEMINAR Post-Course Assessment

As noted during the registration process, we are able to provide this program thanks to the generous support of the Lilly Endowment for our grant, "Leading Vibrant Congregations: A Collaboration of Faith and Finance." As a part of this grant, we have committed to thoroughly assess each of our program offerings. As such, the assessments will not be anonymous so we can ensure we have received responses from all participants. Please know we will compile assessment responses for reporting to Lilly Endowment, Inc. and the instructors, and we will not share your name.
